

Have your Garden Waste

Collected

The Service:

- Subscribers have their garden waste collected fortnightly from the kerbside.
- All garden waste is recycled.
- Wheeled Bin option – bin provided to address as part of the service.
- Sacks option – sacks delivered to the address for use.

Wheeled Bins - The Cost from April 2016

- **A 12 month subscription is £50** At less than a pound per week, this service remains good value and offers a quick and easy way for your garden waste to be collected and composted.
- **A 24 month subscription is £95.** We are continuing with a 2 year option as it has been popular. We are able to offer a discount as we save money by reducing our admin and postage costs. In addition, 24 month subscribers will be protected from any possible price increase in 2017/18.

Sacks - The Cost

As an alternative to bins you can purchase garden sacks from us which currently cost £26 for 10 sacks. These will be collected fortnightly and can be more suitable for smaller gardens or those with access issues.
