PROPOSED TEMPORARY CLOSURE OF SEABOROUGH HILL, SEABOROUGH

I have received an application from Openreach to close SEABOROUGH HILL, SEABOROUGH between West Swillets Road and Henley Cross, a distance of approximately 2550 metres. The closure has been requested to allow Openreach to inspect poles as part of a safety programme of works. These works are programmed to commence between 0930 and 1530 on 07 April 2022.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 23 March 2022.
